LAKE FRANCIS NEWS

April, 2024

Greeting Lake Area Residents

As we turn the calendar to the month of April, and thoughts about spending more time at the lake increase, I want to share these updates with everyone. Your LFARCC Area Representatives have been working through the winter on plans for our summer activities.

2024 lake area communications will continue through email updates and Web Site and Facebook postings. If you are receiving this email update, it is because you are on the lake wide email list. If you know of neighbors who are not receiving the update, encourage them forward their email address to lakefrancisnews@gmail.com.

The calendar of LFARCC sponsored summer events has been finalized. Events include:

Dinner on the Lake. Saturday, May 18.

This is a new event for 2024 giving you a chance to meet more of your lake neighbors. Participants will meet in the middle of the lake and bring an appetizer to share. More detailed information will be posted on the web site and Facebook as the date gets closer.

Annual Membership Meeting/Brunch. Saturday, June 22, Kingston Community Center.

Based on the very positive feedback for the 2023 Annual Meeting/Brunch event, a similar format will be followed in 2024. A free catered brunch will be served at 9:00 am with a short business meeting held during the brunch. Additional details will be sent to all as date gets closer. The next LFARCC Board Meeting will follow the Annual Meeting/Brunch.

Burger Night Fundraiser. Friday, July 12, Kingston Mini Mart.

Mark your calendars now and save the date for a dinner out. Enjoy a great burger and an opportunity to meet more of your lake neighbors. Part of the proceeds from each burger sold is donated to the LFARCC as a fund raiser. The 2022 event raised \$1209. For the LFARCC. The 2023 event was cancelled due to Hwy 15 road construction. An event reminder with serving times will be sent to all later. A big thank you to Kingston Mini Mart for sponsoring the Burger Night Fundraisers. The events provide fundraising opportunities for area non-profits. The non-profits just need to recruit volunteers to assist with the Friday events. Remember, Kingston Mini Mart is one of our Business Members. Stop in for your next purchase and check the schedule of Burger Night events.

Annual Golf Outing/Fundraiser. Sunday, August 4, Kimball Golf Club.

All golfers and future golfers should mark your calendars now for the annual golf outing fund raiser. The event will feature morning shot gun tee times, prizes and lunch. Registration and cost information will be made available later.

Lake Neighborhood Get-To-Gathers.

Lake area neighborhoods are encouraged to organize their own summer or fall get-to-gathers. If you are interested in helping organize your get-to-gather, you are encouraged to reach out to your Area Reps. This is another great opportunity to meet your lake neighbors.

Lake Francis Clothing

You can look great this summer and support the LFARCC by ordering Lake Francis logoed clothing. Two dollars of each piece of clothing ordered will support a LFARCC fund raiser. Click this link [HERE](#) to go to detailed ordering information and a list of items available. The information is available on our web site under the Events heading

2024 LFARCC Membership/Volunteer Reminders

Thanks to 107 of our lake neighbors who have already joined the LFARCC in 2024. Remember, it's not too late to join and show your support for our organization. The 2024 Membership application is attached for your information. You can also join by going to our web site www.lakefrancismn.org click on Membership Info. and follow the instruction to join on line.

Thanks also to our 13 Business Members for their support. You are encouraged to contact them as you consider your purchases. The Business Member list is available on the Home page of our web site. If you own a business and are interested in membership, please visit our web site under Memberships, On Line Membership Form-Business.

This is also a good time to think about volunteering to be an Area Rep. It's a great way to get to know more of your lake neighbors, learn more about the LFARCC and assist with the operations of the LFARCC. VOLUNTEERS ARE ALWAYS APPRECIATED. If this is something you're considering, you are encouraged to click [HERE](#) and complete a short application form and submit it. The form is available on our web site under About Us, Board of Directors and click on Board/Area Representative 2024-25 Application. Current Area Reps are also encouraged to complete the application. The complete slate of 2024-25 Area Reps. will be voted on by all in attendance at our June 22, Annual Membership meeting. Thanks in advance for helping and getting involved.

I hope everyone has a great summer at the lake. More LFARCC updates will continue through the summer.

Craig Panning
LFARCC President
